

The Rainbow

The Newsletter for Classes 7, 8, and 9

The Key Stage 1 leader says:

I would like to welcome all the children back after the Christmas break and wish you all a Happy New Year! I hope that you and your family had a wonderful Christmas and enjoyed some quality time together. It was lovely to see so many of you come along to our Christmas performance of 'The Midwife Crisis' and our Easterside Christmas market; both were great successes!

The beginning of the spring term has seen the children settle back into their learning. This term will be a busy one with Y2 children working hard towards the end of Key Stage 1 SATs. I am pleased with their excellent attitudes to learning and will be sending out information regarding parent consultation time which will take place after February half term.

Our enquiry question for this half term is 'What's in Space?' and the children have already been working hard learning all about The Solar System. We have sent out the project homework overview and are looking forward to seeing the children's work coming in each week.

Mystery Reader

Would you like to be a Mystery Reader? We are looking for parents to volunteer to come into school and read a storybook to your child's class on a Friday afternoon just before home time. Your child wouldn't know you were the mystery reader that day and it would be such a lovely surprise for them if it was you! If you are interested, please speak to your child's class teacher.

Best wishes

Mrs Seymour

We have changed our focus of flexi starts and are now spending quality time 'checking in' with the children each morning so please encourage your child to come in to school at 8.45am.

If you have any problems or queries, please come and see any one of us and we will happily help. We look forward to working with you!
