

**Key Stage 1 Project Homework Activities**

\*\*Visit a tropical animal centre or shop to have a closer look at some modern day reptiles. Take some photographs to show your class.

\*\*Work with grown-ups at home to research more amazing facts about the age of the dinosaurs. Create your own fact poster.

Work with an adult to produce your own dinosaur movie or show using toys, puppets or models. Evergreen bushes or a rocky or dusty area of your garden or local park would make perfect film sets!

Find non-fiction books at home (or in the local library) about dinosaurs. Bring them into school to share!

\*\*Entertain your family and friends by reading them some side-splitting dinosaur jokes or astounding dinosaur facts!

Hunt for ferns, yew trees, monkey puzzle trees and other prehistoric plants while you're out and about. You might even find ornamental ferns in your family's and friends' houses.

Share stories and poems about dinosaurs with your grown-ups. Take on the role of storyteller for any younger members of your family.

Watch birds in your garden or local park. Look at them closely with binoculars. Do you think they walk like dinosaurs?

**Information for children and parents**

Well done on starting your homework project!  
Over this half term you have been tasked with completing as many of these 'Dinosaur' inspired homework activities as possible!
