

### Parent form: withdrawal from Sex Education within RSE

Parents can request a pupil is withdrawn from the sex education component up until 3 terms before the young person's 16<sup>th</sup> birthday.

The non-statutory sex education content is:

- Year 5 - Conception (including IVF)
- Year 6 - Babies: Conception to birth

The non-statutory content is a very small part of the content taught, but it supports our children to be ready for more complex content at secondary school and ensures that children can tell the difference between true and fake content on Social Media.
