

Children In Need
Friday 13th November

We have decided that for 'Children In Need' we are going to do the theme,

COLOURS OF THE RAINBOW

We are all going through some strange times and it has been difficult. We thought it would be nice to come to school wearing bright and cheerful colours. We would also like to ask that the money raised goes to one special child who has had such a hard battle. You may all be aware of Soraya and the long journey she has been on so far. She is just one amazing little girl!

The family are trying to raise funds for her to receive specialist treatment for her condition. We are a family at Eastfield and look after each other, so it would be lovely if we could help them. There will be donation buckets at the school gates on the morning and when the children leave. If you would like to donate, please put the money in the buckets.

Thank you for your continued support

Mrs Payne
