Eastfield Primary Academy's Writing Strategy

Intent

Writing is a key aspect of the curriculum and along with reading, speaking and listening, it makes a significant contribution to the development of children as thinkers and learners. It is a central part of the school's role that all pupils develop their writing ability and enjoy the process of cultivating this lifelong skill. At Eastfield Primary Academy we strive to provide children with exciting, purposeful and inspiring contexts in which to become writers. This policy aims to ensure that there is coherence, continuity and progression within our teaching throughout the school. Our school provides a text rich reading and writing environment that allows children to thrive as writers. It is a place where children see themselves as authors who are developing positive attitudes towards writing and are creating their own authorial voice.

Handwriting

At Eastfield, our intent is to enable children to write legibly, fluently and comfortably. Children access daily handwriting sessions using the Letter join Handwriting programme from EYFS to Year 6. Letter join is a practical, active learning approach that supports the delivery of handwriting teaching and fine motor skills.

Implementation

Place Value of Punctuations and Grammar

Before starting to teach different genres in writing, during the Autumn Term all children in Years 1-6 will learn about sentence structure. To support the explicit teaching of this, we use Grammarsaurus' Place Value of Punctuation and Grammar. We focus on the foundations of accurate punctuation and grammar. Each year group will begin the year with lessons dedicated to the understanding of punctuation, nouns, verbs and subjects, which are vital in the structure of sentences. These lessons enable pupils to learn and understand grammatical terms and to practice their use. Our grammar progression allows for learning from earlier year groups to be frequently revisited, consolidating knowledge and building a secure understanding and a foundation for use of increasingly complex language. (Year group coverage in appendices.)

High Quality Texts

Books, artefacts and visitors are carefully chosen to link and support new topics. They are used as a stimulus to ignite the children's enthusiasm. As far as possible, writing activities are purposeful and meaningful in order to inspire children to write. We do this by using high quality picture books. We then base our teaching using the cycle below.

Writing Teaching Sequence

Writing EYFS Nursery and Reception

Early Learning Goal: Writing

Children use their phonic knowledge to write words in ways which match their spoken sounds. They also write some irregular common words. They write simple sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible.

	Nursery	Reception
Spelling	To continue a rhyming string	To link sounds to letters, naming and sounding the letters of the alphabet
	To hear and say the initial sound inwords. To segment the sounds in simple CvC words and blend them together	To use their phonic knowledge to write words in ways which match their spoken sounds To write some irregular common words
Handwriting	To sometimes give meaning to marks as they draw and paint To realise tools can be used for a purpose	To give meaning to marks they make as they draw, write and paint
	To draw lines and circles using gross motor movements To use one-handed tools and equipment, e.g. makes snips in paper with child scissors	To use some clearly identifiable letters to communicate meaning, representing some sounds correctly and in sequence To show a preference for a dominant hand
	To hold a pencil between thumb and two fingers, no longer using whole-hand grasp	To begin to use anticlockwise movement and retrace vertical lines
	To hold a pencil near point between first two fingers and thumb, and uses it with good control	To begin to form recognisable letters

	To copy some letters, e.g. letters from their name	To use a pencil and hold it effectively to form recognisable letters, most of which are correctly formed
		To show good control and co-ordination in large and small movements
		To move confidently in a range of ways, safely negotiating space
		To handle equipment and tools effectively, including pencils for writing
		To write simple sentences which can be read by themselves and others
Composition	To speak to retell a simple past event in correct order (e.g. went down slide, hurt finger)	To link statements and sticks to a maintheme or intention
	To use talk to connect ideas, explain what is happening and anticipate what might happen next, recall and relive	To use talk to organise, sequence and clarify thinking, ideas, feelings and events

	To use vocabulary focused on objects and people that are of particular importance to them	and others are phonetically plausible To use language to imagine and recreate roles and experiences in play situations
	To build up vocabulary that reflects the breadth of their experiences	To express themselves effectively, showing awareness of listeners' needs
Vocabulary,	To begin to understand 'why' and 'how' questions	To answer 'how' and 'why' questions about their
Grammar and Punctuation	To question why things happen and gives explanations and asks questions, e.g. who, what, when, how	experiences and in response to stories or events
		To use past, present and future forms accurately when
	To use a range of tenses in speech (e.g. play, playing, will play, played)	talking about events that have happened or are to happen in the future
	To begin to use more complex sentences to link thoughts when speaking (e.g. using 'and' and 'because')	To begin to understand the use of Capital Letter, Full Stops and Finger Spaces

National Curriculum:

It is essential that teaching develops pupils' competence in these two dimensions. In addition, pupils should be taught how to plan, revise and evaluate their writing. These aspects of writing have been incorporated into the programs of study for composition.

Writing down ideas fluently depends on effective transcription: that is, on spelling quickly and accurately through knowing the relationship between sounds and letters (phonics) and understanding the morphology (word structure) and orthography (spelling structure) of words. Effective composition involves forming, articulating and communicating ideas, and then organising them coherently for a reader. This requires clarity, awareness of the audience, purpose and context, and an increasingly wide knowledge of vocabulary and grammar. Writing also depends on fluent, legible and, eventually, speedy handwriting.

Writing Upper Key Stage 2

National Curriculum:

It is essential that teaching develops pupils' competence in these two dimensions. In addition, pupils should be taught how to plan, revise and evaluate their writing. These aspects of writing have been incorporated into the programs of study for composition.

Writing down ideas fluently depends on effective transcription: that is, on spelling quickly and accurately through knowing the relationship between sounds and letters (phonics) and understanding the morphology (word structure) and orthography (spelling structure) of words. Effective composition involves forming, articulating and communicating ideas, and then organising them coherently for a reader. This requires clarity, awareness of the audience, purpose and context, and an increasingly wide knowledge of vocabulary and grammar. Writing also depends on fluent, legible and, eventually, speedy handwriting.

At a Leadership Level

Eastfield has a clear monitoring cycle of teaching and learning of writing takes place through various means and can be evident through many sources. We use a triangulation process of evidence of what can be seen in the classroom (through observation and learning walks); evidence in literacy books and evidence of writing in the wider curriculum and through monitoring of attainment and progress within writing and the Enquire Curriculum offer. By offering this we can confidently say that children are being offered a wide range of writing genres withing each year group so that skills can be built on from previous learning.

At a Classroom Level

- Nurture the children's sense of themselves as writers.
- Celebrate success and achievement in writing.
- Encourage children to become enthusiastic, confident and reflective writers.
- Provide purposeful writing opportunities where children write for a variety of audiences.
- Enable children to independently produce high quality writing across all curriculum areas.
- Ensure children know, understand and apply their writing skills in all writing tasks.
- Encourage children to play with language and write for pleasure.
- Ensure children can write using a legible, joined script.
