Dear Parents & Carers,

Thank you for your incredibly positive feedback regarding our 'Remote Learning' offer and your amazing support with this - you are all doing a marvellous job supporting your children to learn at home! We recognise that learning at home, is not the same as learning at school.

We are now entering the fifth week of the current lockdown, and we have reviewed our 'Remote Learning' offer. We appreciate that children are spending a considerable amount of time in front of a 'screen'. With this in mind, we have made a couple of changes to our offer for children in Y1 to Y6 to reduce 'screen time':

Monday	Tuesday	Wednesday	Thursday	Friday
Phonics or Reading Plus Maths Literacy				RE Maths - Key Skills
Jigsaw / Music	Topic	Wellness Wednesday - activities to complete together as a family away from a 'screen' during the afternoon.	Science	Computing
Story time	Story time		Story time	Story time
PE Complete Joe Wicks or go outside for a walk, bicycle ride, game in the garden etc. as a family.				Music / PE Complete Joe Wicks or go outside for a walk, bicycle ride, game in the garden etc. as a family.

Reception children will follow a similar timetable. Please see individual class learning platforms for further details.

Once again, we'd like to thank you for your support at this difficult time.
