Step 5: The Enquire Learning Trust - Terms and conditions

1. Introduction

These terms and conditions apply to all children enrolled at Eastfield's Nursery and their parents or carers. By enrolling your child, you agree to abide by these terms and conditions.

2. Child Protection

If Nursery staff are concerned about a pre-existing injury on a child, they have a duty to talk to the parents about it. If there are continuing grave concerns about a child's welfare the Nursery reserves the right to contact the local safeguarding team without permission of the parents in line with our statutory responsibilities to maintain the health and welfare of each child. We are unable to legally deny access of a child to either parent/carer who have PR (Parental Responsibility), unless there is an active restraining order notified and on our file.

3. First Aid

Trained first aiders are always on site to ensure the safe and appropriate treatment of the inevitable minor cuts and bruises that are part of childhood. Every accident that needs treatment is recorded and staff will ensure you are informed of the circumstances and treatment at the end of the day. If a child has any injury to the head, you will be informed immediately as it may be necessary to collect your child early.

4. Sickness and Medication

Children should not be brought to Nursery whilst they are suffering with sickness, diarrhoea or any other infectious illness until their symptoms have been clear for 48 hours. If a child becomes ill whilst at Nursery, a member of our team will contact you by telephone to ask you to collect your child immediately. If we are unable to contact you, or other parent/guardian we will call the emergency contacts. If serious and required, we will call the child's doctor.

Prescription medicines will only be administered at school:

- When it would be detrimental to the pupil's health or school attendance not to do so **and**
- Where we have parents' written consent

The school will only accept prescribed medicines that are:

- In-date
- Labelled
- Provided in the original container, as dispensed by the pharmacist, and include instructions for administration, dosage and storage

The school will accept insulin that is inside an insulin pen or pump rather than its original container, but it must be in date.

All medicines will be stored safely. Pupils will be informed about where their medicines are at all times and be able to access them immediately. Medicines and devices such as asthma inhalers, blood glucose testing meters and adrenaline pens will always be readily available to pupils and not locked away.

Medicines will be returned to parents to arrange for safe disposal when no longer required.

5. Sun Care

Parents must provide sunscreen for their child.

6. Special Requirements

If your child has an ongoing medical condition or allergic reaction to certain textures or food, you must inform staff and complete the appropriate Nursery medical forms. It is your responsibility to keep

staff informed and updated so that relevant and appropriate action can be taken where necessary.

7. Dressing for Nursery and Lost Property

We ask that children your child wears a uniform, that consists of:

- ✓ Red sweatshirt or cardigan
- ✓ White or red polo shirt
- ✓ Black or grey trousers, skirt or pinafore (or red checked summer dresses)

Children may find it easier to wear black/grey jogging bottoms/leggings to enable them to undress/dress themselves when they use the toilet. We also recommend Velcro-fastening shoes (rather than laces or buckles) for children so that they can change in and out of their shoes independently.

Nursery children **will not** need a PE kit.

Uniform with our logo on can be purchased from Uniform Direct or the Uniform Hut however, this is not compulsory.

We aim to play outside in all weathers so please supply your child with a warm coat or raincoat during cold or wet weather, and a hat & sun-cream during hot weather.

To assist our staff team, we ask that all clothes are labelled.

We do not accept liability for the loss of property, unless we have acted negligently, as all items brought in with your child should be clearly labelled with their name.

8. Registration / Enrolment

If you would like to register your child, please complete our registration form and sign to confirm your agreement to the terms and conditions stated therein. Submitting the registration form does not guarantee you a place at our Nursery, and we reserve the right to decline admission based on space availability or other criteria.

Parents must also provide required documentation (i.e. proof of identity) and Nursery will notify parents if any additional information or documents are required.

9. Changes to Sessions or Cancellation of your Nursery place

If you would like to arrange additional sessions at any stage, please speak to your child's Practitioner for availability. We ask for a terms' notice in writing (excluding holiday periods,) if your child is leaving nursery or wishes to reduce sessions, otherwise fees may be charged in full.

10. Hours of Operation & Late Collection

The Nursery operates from 8.45am to 3.15pm on weekdays, during term-time.

Parents must ensure their child is dropped off and collected within operating hours. If your child is still at Nursery after the closing time you will be contacted, along with authorised collectors to make emergency arrangements for your child's collection. Staff will remain on site with your child for a reasonable time until collection. However, if we cannot contact you or the authorised collector's staff may be required to contact the local Social Care team. Late pickups may result in additional charges (£5 per 30 mins).

11. Fees and Payment

Fees are charged on a half termly basis and must be paid by upfront. Payment details will be provided upon registration. Fees must be paid in full even if the child is absent due to illness, holidays, or any other reason. A late fee of £20 may apply if payment is not made on time.

12. Refund for non-attendance

While we will always seek to keep the Nursery open during the academic year to promote continuity of care, we will not refund fees if the Nursery has to close due to "acts of God" infectious diseases,

pandemics, environmental factors (such as snow or flooding), emergency repairs or any other situation outside of the Nursery's control.

13. Photography & Media (Data Protection)

The Nursery is required to obtain and process personal and sometimes sensitive information about children and families as part of its registration process for childcare services. The information kept is to support development, monitor progress and provide appropriate care for each child in our Nursery. Parents have the right to access their child's records upon request.

Consent will be gathered via the Trust multi-purpose consent form.

14. Documentation

A copy of your child's birth certificate must be seen by the Office staff before your child can start attending Nursery. Please provide this with these forms, it will be returned to you straight away.

16. Parental Involvement

Parents are encouraged to communicate regularly with the Nursery staff about their child's progress and well-being. Parents should attend parent meetings, events and reviews when scheduled, and any concerns or issues should be discussed with staff in a respectful and constructive manner.

A written notice period of 12 weeks (one term) is required if parents wish to withdraw their child from the nursery. We reserve the right to terminate enrolment if fees are not paid or other terms of this agreement are violated.
