Jan 17th – Year 4’s visit to the Jorvik Centre & Dig, York

To immerse themselves in their topic, Year 4 went to Jorvik Viking Centre. They started out as archaeologists, at DIG, and discovered how historians piece together the evidence they find and make conclusions about how people lived. They learnt a lot about the Viking diet as archaeologists found a piece of poo and they found that the diet was rich in meat, seeds and fruit! Year 4 learnt all about how the Vikings defended themselves and handled all sorts of weaponry and shields. After that, they went to the Jorvik Centre where they learned about how Viking people lived and settled in York.

Feb 13th – Y1 Dinosaur Showcase to Parents

Year 1 worked hard to create a 'Dinosaur Showcase' to show off to parents all of their hard work this half term. They had learnt lots and lots about dinosaurs, fossils and Mary Anning. They thoroughly enjoyed showing off all of their learning and parents were amazed at their children's knowledge!

What a way to end the term with a 'Valentines' inspired lunch!! Mrs Brown and Mrs Hagyard continue to amaze us with their creativity and sumptuous meals! They are going to have to work hard to beat this next term!
