June, 2019

Dear Parents/Carers,

We have had an a very busy first half to the summer term and everyone has continued working really hard. Our Art work is now up - and it has made our shared spaces look beautiful, but also reinforces our message of 'family'.

Woodside Wildlife Park

On the 24th April, Year 3 visited Woodside Wildlife Park as part of their work on 'Predators'. They had an amazing time and really enjoyed themselves – this was the 'hook' to get them excited about their new learning and help them understand about animals in more depth.

Year 6

Year 6 have been amazing! They have sat their SAT's with no fuss - everyone just got on with the tests and have hopefully showed the examiners just how good they are, after all the hard work they have put in this year!

Well done Year 6 - we are all very proud of you!

Gardening Club

Our Cook, Mrs Brown has started a Gardening Club and the children have been planting up, the planters around school. They have planted: carrots, purple broccoli, courgettes, peppers, beans and sunflowers. They can't wait for them to grow and eat them!

Collaboration

Year 5 used collaboration to convert units of measure in Maths - not always an easy thing to do.

'What you can do in a team today, you can do on your own tomorrow!'

Toys

Year 2 invited Grandparents in to talk about toys from the past that they played with as part of their work on 'Toys'. Both Grandparents and the children had a fab time and the children were amazed by the toys from the past - they didn't need batteries!!

Early Years

Reception and Nursery visited 'The Deep' in Hull, on Wednesday 22nd May as part of their learning based around the sea/oceans. In the Learning Centre the children shared their knowledge of plastic pollution and the staff at The Deep were very impressed!!

MySpace

MySpace children enjoyed taking part in a Yoga session! They learnt to use their breathing to help them calm down. They are looking forwards to taking part in some more sessions after the half term holidays.

Potions

On the 24th May, Year 4 invited their parents in to make 'Bath Bombs' with them as part of their learning about 'Potions'. Everyone had an amazing time and it was a fab way to end a learning sequence and involve parents in their children's learning!

Forest Schools

Children in EY showcasing their 'green fingers' - they have grown vegetables and flowers in their outside space. They were looking forward to eating the radishes that they had grown. We have some budding gardeners!!!!

After-school Club

Children have built on their felting skills and created felt animals.

After-school Club provides the children with lots of opportunities to develop a wide range of creative skills, develop friendships and have lots of fun!!

Stargazers

Year 5 have been studying the 'Stars' as part of their work this half term and they enjoyed writing their own Greek myths about the moon after learning about the Chinese legend of Chang'e.

At the end of this term we are not only saying goodbye to Year 6, but also to Mrs Lister and Mr Ashley Watson as these staff are leaving to pursue new adventures elsewhere. Mrs Smith is also leaving at the end of this term, as she has decided to retire after working at Eastfield for 36 years. Both staff and children will be missed. However, we have two new teachers joining us in September, Miss Sophie Follan and Mrs Ellie Phillips, and both are really looking forward to joining the Eastfield family.

Thank you for all of your support!

Key dates for your diaries, 2019:

Summer 2:
