Dear Parents and Carers,

We need you!

Back in March, we closed our doors to most children and we were suddenly immersed in to a world of home learning and, for a lot of us at school, remote working.

In the past few months, we have quickly organised a home learning platform for each year group (either through Showbie or social media); prepared both learning opportunities and opportunities you could do as a family; made frequent phone calls home to offer our support; responded to any concerns or worries you have; we opened our school for critical worker children; organised the return for Nursery, Y1 and Y6 and shared all information as soon as we received it to make sure you were just as informed as we were.

We'd love to hear your views. There is a section at the bottom for you to leave us a message, if you want to.

We are looking forward to hearing from you.

Kind regards,

Team Eastfield.
