Dear Parents/Carers,

On Monday 1st June, Year 6 are taking part in a 'Taste of History' workshop. In the workshop the children will study how the effects of the Great War of 1914-'18 were still being felt by very many Britons when, sadly, the political upheavals in Europe paved the way for round two. The aim of the World War II day is to explore what life was like during that time. The focus will be on the Home Front in the 1940s drawing on the contemporary experiences and memories of men, women and children to explain a very different Britain from today. The emphasis will be on having **FUN**, using artefacts, role-play, and games to teach history in an engaging and meaningful way.

This will be a fabulous day and a much deserved treat of an experience for the Year 6 children after SATs. It will be held in the comfort of our own school, therefore lunchtimes will run as normal.

We politely ask for a contribution of £3 which will help greatly towards the cost of the workshop, which is payable through Parent Pay.

Please complete the slip below and if you have any further questions, please don't hesitate to contact school in the coming weeks.

Thank you for your continued support.
