

## Times tables

Learning the times table and division facts is an important part of Maths.

By the end of year 2, children should be fluent with the 2, 5 and 10 times tables.

**By the end of year 3**, children should be fluent with 2, 5, 10, 3, 4 and 8 times table and division facts.

By the end of year 4, children should be fluent with all times table 2-12 and division facts.

If your child has access to a laptop or tablet these games can be played to promote and support their learning:
