

Miss Beach

Hiya everyone,

I hope you are all well and are getting excited for when we hopefully return altogether in September. When you move into Year 3, I will be your new teacher and Mrs Reynard will also be working with us. I know most of you have met me before but I just wanted to say, hi!

I have everything crossed that come September we can all return to school together to start our learning journey in Key Stage 2. I am really looking forward to getting to know you all properly and making a start on the interesting topics and learning we have planned in Year 3.

Hopefully, see you ALL in September, Miss Beach 😊
