

## **Miss Follan**

Hello Year 6, class of 2021!

I am super excited to get to know you more next year and hopefully we can start our journey in September as planned. Year 6 is an important year for you, where together we will prepare and sit our SATs tests, prepare for secondary school and embrace and celebrate your final year at Eastfield. I hope that we will have a love of learning as we embark on Year 6 and all your hard work at Eastfield so far will be showcased! I am here to teach, support and guide you through the next year and it will be a pleasure to see you grow, achieve and progress over the course of the year. I look forward to hopefully seeing you in September. Have a wonderful summer holidays, relax, have fun and I can't wait for you to join the Year 6 team!
