Maths

10 Key Facts

The children are currently working on 10 basic skills in maths. You can help your child practice these skills at home. We are currently working on

- 2, 5 and 10 times tables
- number bonds to 20
- Doubles to 20
- Halves up to 20
- Recognising numbers upto and beyond 100

Curriculum Coverage

In maths sessions this half term we will be covering the following areas of maths

Multiplication and division
Statistics
Properties of shape

TT Rockstars

You should have received your child's login details for the TT Rockstar website.

<https://trockstars.com/>

This site allows your children to practice their times tables while earning coins to upgrade their Avatar. At the moment the concept of times tables is something that is new to the children so if you can encourage them to complete are 15 mins a week practice at home.

Literacy

This term our **writing** focus text is How to find Gold.

- Diary entries
- Postcards
- Descriptive writing
- Newspaper Article
- Letters
- Instructions
- Poetry

Reading continues to be a huge focus around school and within Year 2 Please ensure that your child brings their reading book to school every day, so that we can listen to them read.

Hearing your child read at home is extremely important. Can you also try and listen to your child **read at least three times** a week. This will really help your child with their fluency, pace and confidence. Remember asking lots of questions will check whether they understand what they are reading. Daily reading makes a huge difference to progress! Due to the current situation books can only be changed once they have been read 3 times

If you have any problems or concerns please come and speak to us.

We really appreciate all your support.
We look forward to working with you this term!
