

Year 2

Spring Term 2021

This half term our curriculum focus is Geography. Our enquiry question is what is the significance of Boston Massachusetts? We are going to link back to our learning in History last half term on the Pilgrim Fathers to help us. We are going to be using Map skills to locate places, plan routes, examine physical and human features and land use and much more!

Maths

10 Key Facts

The children are currently working on 10 basic skills in maths. You can help your child practice these skills at home. We are currently working on multiplication and division and addition and subtraction.

Curriculum Coverage

In maths sessions this half term we will be covering the following areas of maths

- Measurement: Length and Height
- Fractions

IT Rockstars and Numbots

Please try and ensure that your children login to these at least 3 times a week for around 10 -15 minutes. The regular practice is really going to help with their mental calculation ability.

Literacy

This term our **writing** focus text is the Lonely Beast

- Diary entries
- Postcards
- Descriptive writing
- Newspaper Article
- Letters
- Instructions
- Comic Strips
- Poetry

Reading continues to be a huge focus around school and within Year 2.

Hearing your child read at home is extremely important. Can you also try and listen to your child **read at least three times** a week. This will really help your child with their fluency, pace and confidence. Remember asking lots of questions will check whether they understand what they are reading. Daily reading makes a huge difference to progress! Due to the current situation books can only be changed once they have been read 3 times.
