Reading continues to be huge focus around school and within Year 2... Please ensure that your child brings their reading book to school every day, so we can swap their books regularly.

Hearing your child read at home is extremely important. Can you also try and listen to your child **read at least three times** a week. This will really help your child with their fluency, pace and confidence. Remember asking lots of questions will check whether they understand what they are reading. Daily reading makes a huge difference to progress!

We really appreciate all your support.

Thank you for your support.

We look forward to working with you this term!
