Autumn Term 2020

Topic- Rivers

As geographers we will learn about all about rivers. We will be identifying the features of rivers. We will look at and discuss the important uses of water and how we can help to prevent pollution. We will find out about different rivers in the world as well as learning about the Humber Estuary. We will use research skills on the internet as well as maps and atlases.

- PE this term will take place outside. Please send children to school in their PE kit on a Tuesday. PE kit should be black shorts, joggers or leggings, a red or white t-shirt, trainers and children should wear their red school jumper or cardigan.
- We ask that children practice their **times tables** regularly at home. The children need to be fluent with their 2, 5, 10, 3, 4 and 8 times tables by the end of year 3 and know the division facts related to these.
- Children will bring home a reading book. Reading is really important so please try and listen to your child **read at least three times** a week, this does not have to be a whole book, just 5 minutes or a few pages each time.
- **Spellings** will come home on a Friday to be practiced for the week. These do not need to come back to school.
- Please regularly check the **website** and **twitter** for up-to-date letters and information.
