

Year 4

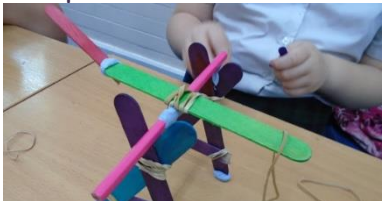

Autumn Term 2020

Topic- Romans

As historians we will learn about the Romans and how they had built their empire. We will investigate the lives that they had lived and dive into the past to learn about key events that had happened.

D.T will involve creating and looking at the Structure/Mechanical ways of how a Catapult works.

- We ask that children regularly practise and learn their **times tables**. It has been proven to make a massive difference to the speed and accuracy of their calculation skills.
- Reading is important so please try and listen to your child **read at least three times** a week, this does not have to be a whole book, just 5 minutes or a few pages each time.
- PE will be on a Friday morning at 10am.
- **Don't forget to follow us on Twitter** to keep up to date with the things we have been doing! Find us at [@EPA_PanthersY4](https://twitter.com/EPA_PanthersY4)
