

Year 4

Summer Term 1 2021

Topic- Europe

This term we will be diving into and investigating the continent Europe. We will be exploring different countries as well as the main country we will focus on is France.

Art- Claude Monet Impressionism

This term we will be using watercolours to recreate some of Claude Monet's famous pieces. Investigating how to use water colours which requires many skills such as layering, toning and many other.

Maths

Our maths focus for this term will be ...

Decimals and Fractions

- Decimals- Tenths and hundredths
- Divide by 10 and 100 using decimals.
- Compare order and round decimals up and down.

Measurement, money, properties of shapes, position and direction and statistics.

Key Skills

Multiplication and division

- Multiply and dividing written methods
- Measurement area and perimeter

THIS TERM: We will be sitting the new statutory times tables check in June. It is a requirement that Year 4 children are competent in their times tables knowledge up to 12 x 12.

Please practise with your child. You can use www.themathsfactor.co.uk as this is the similar to the timestable check. They will need to go on doing well.

Literacy

We will be looking at two books, A Little Bit Brave and The Little Lost Fox.

This term our **writing** focus will be to...

- Handwriting- Joining consistently throughout books.
- Checking for sense and for clarity so we are taking pride in our work and being the best writers, we can be.
- Writing opportunities- play scripts, poems, non- chronological reports and many more.

This term's spellings focus will be:

- Common exception words for Year 3 /4 - The prefix anti- and inter- - Words ending in -cian, -sion, -tion and -ssion

This term's reading focus will be:

- Using The Mousehole Cat as the driver for our whole class reading.
- Developing our vocabulary, inference, prediction, explanation, retrieval, and summarizing skills as part of whole class reading.
- Developing our choral read skills and increasing in fluency and speed of reading.

- We ask that children regularly practise and learn their **times tables**. It has been proven to make a massive difference to the speed and accuracy of their calculation skills.
- Reading is important so please try and listen to your child **read at least three times** a week, this does not have to be a whole book, just 5 minutes or a few pages each time.
- PE will be on Thursday's and Friday's, P.E kits to be worn both days.
