

Year 5

Spring Term 2021

Topic- Mexico

As geographers, we will be learning about Mexico. We look at where Mexico is and how it is different to the UK. We learn about what the climate is like, the landscape and their culture. We will research a typical day for a Mexican child.

- We ask that children regularly practise and learn their **times tables**. It has been proven to make a massive difference to the speed and accuracy of their calculation skills.
- It is still important for children in Year 5 to be heard read. This way, the meaning of unfamiliar words can be discussed and vocabulary extended. Questions posed, arising from the text, is also an excellent way to develop children's understanding of what they have read. 3 times a week is ideal.
- **PE will be on a Monday and a Friday** this term. Please ensure that your child is wearing appropriate PE kit on these days. The kit should include a school PE top or white t-shirt/ polo and the bottoms should be shorts or joggers/leggings in grey, blue or black. As our PE will be outdoor this half term the children will need to be wearing trainers (not plimsolls). School jumpers can be worn as an extra layer when the weather is colder.
- Please regularly check the [website](#) and [Class Dojo](#) for up-to-date letters and information.
