

Year 5

Spring Term 2020

Topic- Ancient Greece

As historians we will discover the lasting influence of the Ancient Greeks on the western world. We will explore different kinds of historical sources and evaluate their usefulness. We will learn about trading, lifestyle, warfare, beliefs, Olympics and Greek buildings. We will read different myths and legends.

- We ask that children regularly practise and learn their **times tables**. It has been proven to make a massive difference to the speed and accuracy of their calculation skills.
- It is still important for children in Year 5 to be heard read. This way, the meaning of unfamiliar words can be discussed and vocabulary extended. Questions posed, arising from the text, is also an excellent way to develop children's understanding of what they have read. 3 times a week is ideal.
- **PE will be on a Tuesday and a Friday** this term. PE kit is: plain blue/black shorts, white/red t-shirt and trainers or plimsolls.
- Please regularly check the **website** and **twitter** for up-to-date letters and information.
