

Year 6

Autumn Term 2021

Topic- Ancient Greece

As historians we will investigate the rise and fall of the Ancient Greek empire, Alexander the Great and the role he played in the demise of the empire. We will explore the legacy the Ancient Greeks left on the world including; theatre, sport, politics, maths and more. We will compare the Ancient Greek empire with that of other influential dynasties including the Ancient Greeks and the Mayans and finally decide on the greatest civilization of all.

- We ask that children regularly practise and learn their **times tables**. It has been proven to make a massive difference to the speed and accuracy of their calculation skills.
- It is still important for children in Year 6 to be heard read. This way, the meaning of unfamiliar words can be discussed and vocabulary extended. Questions posed, arising from the text, is also an excellent way to develop children's understanding of what they have read. 3 times a week is ideal. I will be checking for 3 reads every Thursday. Children can also log on to Reading Plus.
- PE will be on a Friday. Children can come to school in their PE kits.
- Please regularly check the [website](#) and [Class Dojo](#) for up-to-date letters and information.
