

School Council

Our School Council is made up of 2 pupils from each class from years 1 to 6 . These pupils are democratically voted onto the school council by their peers and represent their classes at meetings on a fortnightly basis. Pupils from Key stage 1 stay on the Council as representatives for a year and pupils from Key Stage 2 stay on as representatives for 2 years.

The School Council decide which charities will be supported each year and are involved in fundraising ideas.
