## INTERNET SAFETY SECTION

### Viewing Time

There are a number of ways you can administer how long your child can watch YouTube Kids videos in a day. In the YouTube Kids app you can set a timer before handing your child the smartphone or tablet. Once the limit has run out the video will be paused.

You can also set limits on iPhones and iPads in the 'Screen Time' section of the Settings. This not only enables you to see how long they play but specify how and when they can do this. You can apply similar limits on Android devices via the 'Family Link' app settings.

### Inspire Day - Making a Difference

Our Inspire Day this term was 'Making a Difference'.

Inspire Day also fell on Comic Relief's Red Nose Day and we looked at the problems faced by homelessness and how we can do small things that could make a difference in the world.

Dear Parents/Guardians,

Elite Community Coaching are delighted to confirm that we will be running more exciting after-school clubs at your school again this term. We will be running these clubs whilst maintaining bubbles for the children following all necessary Covid guidelines. The information below outlines further details regarding the after-school club at your school for Term 5.
