### Chairperson Required!

Would you like more fun and exciting events to take place at the school for your family and child(ren) to enjoy? Would you like to raise more money to support our fantastic school? If the answer to these questions is yes, we need you!

Due to a change in circumstance, the PTFA are looking for a new chairperson to lead a wonderful committee of friendly and enthusiastic volunteers. You will be welcomed with open arms and will have the opportunity to work with the current chair (during a mutually agreed handover period) and will be supported by an experienced committee.

This is a wonderful opportunity to develop your skills and to have fun at the same time– no past experience is necessary!

If you are interested and/or have any questions, the current chairperson, Lucy Erasmus, will be very happy to talk through the role and what it entails. She can be contact by emailing [eastrypta@gmail.com](mailto:eastrypta@gmail.com).

## OTHER SCHOOL NEWS

### Parking in the School Staff Car Park

To ensure the safety of children and families walking in to school, particularly those in Year 3 & 4 who use the side entrance, please can we remind all parents and carers that the school car park should not be used when collecting or dropping your child/children in to school. Thank you for your co-operation.

### Riding Bikes and Scooters to School

It is lovely to see all the children getting some exercise and having fun riding their bikes or scooters to school but please can I politely ask you ensure they keep their speed down especially as there are lots of younger children or younger siblings walking to school at this time of the day - thank you.

## INTERNET SAFETY SECTION

O2, in partnership with the NSPCC, have created a useful document called 'Family Agreement' which you may find helpful when setting rules around internet use at home. This can be found by clicking on the following link: <https://www.net-aware.org.uk/siteassets/content/resources/family-agreement/>
