## NSPCC Number Day

### Friday, 7th May - Number Day in aid of the NSPCC

On Friday, 7th May we will be celebrating the NSPCC's Number Day.

**Dressing Up** - Children are invited to wear maths/number themed fancy dress. This could be a t-shirt with a number or numbers on, or even something number related you make yourself! Prizes will be awarded for the best costumes.

**Cake Sale** - We will be selling cakes provided by the staff and the school, costing 50p

**Raffle** - Raffle tickets will be sold at £1.00 per strip with the chance to win the maths version of the game Dobble

**Coppers Challenge** - We are asking children to bring in coppers to see which class can make the longest line (coppers will be donated to the NSPCC after the event)

We are sure the children will have great fun on this special day taking part in lots of Maths themed learning.

If you wish to make a separate donation to the NSPCC this can be made on their Just Giving page at <https://www.justgiving.com/nsppc>

### Friday, 7th May - Fledglings Class Worship

Our next Inspire Day will be held on Friday, 14th May - 'Eid al Fitr' which is a religious holiday celebrated by Muslims to mark the end of the month long fasting of Ramadan.

## INTERNET SAFETY SECTION

### NETFLIX

Netflix lets you create profiles for everyone in your house. On the Netflix home screen, if you select Manage Profiles, you can change each one to show different content, defined by age group. Children should be encouraged to use their profiles only, particularly as there's no way to PIN protect adult profiles. However, you can PIN-protect content globally, so if a child does use your profile, they're blocked from watching inappropriate content. Go to Netflix, select Account from the drop-down menu by your name and select Parental Controls. You'll be prompted to enter a PIN, but then can select which content is PIN protected by age: Toddler, Older Children, Teens and Adults. You can also PIN protect specific programmes by typing their names in, which could be handy if you think a programme is unsuitable or your child has been watching a programme too much!

### Chairperson or Chairpersons Required!

Would you like more fun and exciting events to take place at the school for your family and child(ren) to enjoy? Would you like to raise more money to support our fantastic school? If the answer to these questions is yes, we need you!

Due to a change in circumstance, the PTFA are looking for a new chairperson, or chairpersons, to lead a wonderful committee of friendly and enthusiastic volunteers. You may like to take this role on yourself, or become a joint chairperson with another parent. You will be welcomed with open arms and will have the opportunity to work with the current chair (during a mutually agreed handover period) and will be supported by an experienced committee.

This is a wonderful opportunity to develop your skills and to have fun at the same time— no past experience is necessary!

If you are interested and/or have any questions, the current chairperson, Lucy Erasmus, will be very happy to talk through the role and what it entails. She can be contacted by emailing [eastrypta@gmail.com](mailto:eastrypta@gmail.com).
