INTERNET/ONLINE SAFETY SECTION

Whilst we may be aware of the dangers of internet use there are many positives. This is the next of our features on a particular interest your child may have and positive avenues to explore to support this if they enjoy spending time online.

This week we are looking at ideas for **The Historian**

Amazon rainforest in VR, take a virtual tour of the National Museum of Computing at Bletchley Park or step inside the British Museum without leaving you living room!

You may like to take a look at the following websites before sharing with your child; The British Museum - Google Street view or The National Museum of Computing 3D Virtual Tour
