OTHER NEWS

Please Remember to Call the School

We have had a number of occasions over the last couple of week's where children haven't arrived to school and we have received no contact from home. Please can I remind all parents that they must contact the school by 9.00am if their child is not going to be in school, or they will be arriving late. If we are not notified of a child's absence this will be recorded as unauthorised although, for safeguarding reasons, we will continue investigate and take any further action deemed necessary to establish their whereabouts.

E-scooters – are you breaking the law?

Can I ride my e-scooter to school or work? No, it's illegal...

E-scooters are classed as motor vehicles and are required to be taxed and insured. It's not possible to get insurance for privately owned e-scooters, which means it's illegal to use them.

Can I ride my e-scooter on the pavement? No, it's illegal...

You cannot use e-scooters on public footpaths, cycle lanes or roads.

What happens if I'm caught using my e-scooter in public spaces? The scooter may be seized and as a result, destroyed.

If stopped by an officer, you may be asked to complete a breath and drugs test. You also risk a £300 fine and six penalty points on your licence for no insurance.

Think before you buy:

The number of electrical scooters being used on our streets has risen, as well as reports of serious injury and fatalities. For more information and advice on the use of e-scooters visit www.kent.police.uk/road-safety
