OTHER SCHOOL NEWS

Pupil Absence due to Sickness

Please can we remind parents and carers of the school's policy in regards to absent if your child has sickness or diarrhoea. If a child has sickness or diarrhoea we ask that they do not return to school until 48 hours after they were last sick or had an upset tummy. By doing this we hope to prevent the spread of any infection to other children, and staff, in school.

Please can we remind you that, in the interest of safety for your child, you must call the school each day by 9am on 01304 611360 if your child will not be in school.

Discount School Uniform

Brigade, our uniform supplies, are offering at 'Spring' 10% discount on orders placed with them during the weekend of 29th to 30th April. Please quote 'SPRING23' at checkout so that the discount is applied. Orders can be placed by visiting 'Brigade.UK.Com'.

We would also like to remind you that we have a supply of second hand uniform available including school shoes. Please speak to Mrs Inglis, FLO or the school office if you are interested. Thank you to all those parents who have kindly donated items for our second hand uniform shop.

INTERNET/ONLINE SAFETY SECTION

Fake News

The news you see online or on social media isn't always going to be accurate. And it can be hard to tell what's real and what's fake.

Some websites will report fake news or things that aren't completely true. They might do it because they want to scare you or make you do something. Or because they make money from people going to their site.

Fake news can look real, but there are ways to help you spot it.

- **Check the source** Check the name of the website and its web address to see if it looks real. Some sites will try to look like other websites so you think they're genuine.
- **Look for evidence** Find out whether it's being reported on other sites that you know and trust. If it's only being reported on websites you've never heard of then it might not be true.
- **Don't decide straight away** Sometimes headlines or stories are designed to scare or interest you. Read what's in the article carefully, ask yourself whether it seems true and why they're saying it.
- **Ask someone you trust** Let your child know that they can ask an [adult they trust](#) to see what they think. If they're worried about something they've seen online, they can also talk to a [Childline counsellor](#).
