Attendance in Term 4

Each term we let parents know about the current overall school attendance figure. At the end of term 4 this stood at 93.8%.

We understand that sometimes children are too unwell to attend school, or it can be difficult to know whether they should attend or not when feeling a little under the weather. Our leaflet 'A Guide for Parents/Carers on School Attendance' gives lots of helpful information about when to keep your child off of school or when it is fine for them to still attend. This leaflet was emailed to parents in Term 1 and term 4 and can also be viewed on the school website under our Attendance page in the Parent tab.

Kind regards
