## HEALTH ADVICE/ONLINE SAFETY SECTION

### **DROWNING PREVENTION WEEK**

This week is drowning prevention week. We are lucky enough to live so close to the sea but this obviously comes with its own dangers. The Royal Life Saving Society UK (RLSS) have produced some updated literature and guidance to help support parents and children whenever around water. These are available for children aged 3-5 years, primary or secondary school age. They can be found via the RLSS website at: <https://www.rlss.org.uk/listing/category/drowning-prevention-week-resources-for-families>

#### **Swimming for children with disabilities**

Learn to Swim provide 1-1 swimming lessons for children with disabilities aged 4-11 across the UK with a number of pools across Kent. Their lessons give children the opportunity to learn to swim and fall in love with the water.

More information can be found on their website as well as information on how to apply- [Level Water: The Power of Swimming](#)
