OTHER SCHOOL NEWS

Raincoats to School

Please can children bring a rain coat with them to school as we still like the children to get fresh air and time to run around during break times, even if there is a light shower. Thank you for your co-operation.

Collection for Mr O'Gorman

Some parents have asked whether we are having a collection for Mr O'Gorman. If you would like to make a donation this can be made at the school office, thank you.

INTERNET SAFETY SECTION

Do you know your limits?

Children may not understand the negative impacts of device or game addiction. Talk to them openly about healthy habits and ask whether or not their spending time online or playing a game is affecting their sleep, performance at school or if they are generally losing interest in other activities. You may lead on to encouraging alternative activities and discussing the introduction of time limits when at home.

OTHER NEWS

Summer Holiday Courses

Elite Community Coaching, who take the children for P.E. on Fridays and run our afterschool football club, will be running a holiday club at Eastry School week commencing 12 August and at other venues throughout the summer holidays. Further details were sent home with the children this week and additional copies are available from the school office.

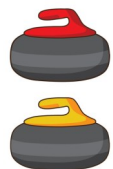

Library Summer Reading Challenge

This year your local library will again be running a Summer Reading Challenge. This year's theme is called 'Space Chase' and children are challenged to read six library books over the summer. Once signed up they will receive a mission folder to keep a record of their reading together with stickers, rewards and a certificate when they have finished. For further information and to sign up please pop along to your local library.
