PTFA News

Christmas Cards and Gifts

Following the success of last year's Christmas products designed by the children, this project will run again this year. The children have recently brought home their picture, together with the order form and a covering letter, giving details about the products available. Last year these were very popular and made wonderful presents for family and friends. Please return your order and payment by the deadline of **Monday, 11th October**.

Bonfire and Firework's Night

It is with regret that we have had to make the difficult decision not to go ahead with this year's PTFA Bonfire and Firework's night. Unfortunately there were not enough volunteers to help organise and plan this event but we would like to thank all those parents and staff who were willing to give up their time to help. We hope that there will be enough volunteers to run future planned events for the children to enjoy and help raise funds for future school projects.

OTHER NEWS
