

Accessibility Statement for Eastry Church of England Primary School

Eastry Church of England Primary School is committed to ensuring our website is accessible to all users, regardless of technology or ability. We strive to provide an inclusive and user-friendly experience for everyone visiting our site.

Accessibility Standards

Our website is designed to comply with the Web Content Accessibility Guidelines (WCAG) 2.1, at Level AA. These guidelines ensure that digital content is:

- **Perceivable:** Information and user interface components are presented in ways that all users can perceive.
- **Operable:** Interface and navigation are operable by all users.
- **Understandable:** Information and operation of the interface are understandable.
- **Robust:** Content can be reliably interpreted by a wide range of user agents, including assistive technologies.

Accessibility Features and Tools

To improve accessibility, our website includes:

- Text alternatives for non-text content (e.g., images, videos).
- Logical and consistent navigation structures.
- Keyboard navigation support.
- Adjustable font sizes for improved readability.
- Proper use of headings and landmarks to structure content.
- Contrast ratios that enhance readability for users with visual impairments.

We also use the **UserWay accessibility widget**, a tool designed to enhance accessibility across our website. The widget provides features such as:

- Screen reader enhancements.
- Keyboard navigation adjustments.
- Colour contrast adjustments.
- Text size and spacing options.
- Focus and highlight tools.

You can activate the UserWay widget by clicking on the accessibility icon in the corner of any page. This tool allows visitors to customise their experience to suit their individual needs.

Ongoing Improvement

We are dedicated to continuously improving the accessibility of our website. We regularly review and update content and features to address evolving standards and user feedback.
