Dear Parents and Carers,

Inconsiderate Parking

Please may I remind you the importance of parking considerately in our village as I have received reports of cars parking in residents parking, stopping carers accessing elderly clients, blocking driveways and parking on zig-zags. Please can I also politely ask that whilst you are waiting in cars that the engines are turned off as the car fumes are affecting our neighbours, especially when doors and windows are being kept open to create an air flow. We all have a duty to drive and park responsibly in our village for the safety of our children and other residents. Please consider parking in other roads or the car parks in the village and walking the short distance to the school.

Kind regards,

A handwritten signature in black ink that reads 'S Moss'.

Sarah Moss
Headteacher
