1st March 2022

Dear Parents and Carers,

As of Thursday, 24 February, the Government removed the legal requirement to self-isolate following a positive test. However, adults and children who test positive continue to be advised to stay at home and avoid contact with other people for at least 5 full days, and then continue to follow the guidance until they have received 2 negative test results on consecutive days. We expect all members of the school community to adhere to this guidance.

Tracing close contacts and isolation

Contacts are no longer required to self-isolate or advised to take daily tests, and contact tracing has ended.

Kind regards

A handwritten signature in black ink, appearing to read "S. Moss", with a horizontal line underneath.
