Monday 18th January 2021

Dear Parents and Carers,

I wanted to write to say how impressed I have been with your children and your response to remote learning. We have been amazed at the quantity and more important quality of the learning you have submitted.

That said I want to remind you that every household is different and every child is different. Some days you may get every piece of learning done, others maybe one or two. Some days learning may look like full engagement in every google classroom activity, other days it might look like helping to cook dinner, going for a woodland walk, building lego models or reading books together. Respond to your children and your unique home life. If you are worried about completing home learning, let us know.

We will continue to do all that we can to support you; with daily live lessons, and feedback on learning. We may be able to help with technology access, quiet spaces to learn, internet access, exercise books, phone calls, practical resources amongst other things. There is also a range of videos and documents to help with FAQs on each child's google classroom under the classwork tab. Last week we sent out a list of wider agencies that may be able to support you too. We are still contactable, staff will respond to you to fit around their own work and home schedules. We will endeavour to get back to you within 48hrs (Monday- Friday).

Well done again, your children are a credit to you and we are proud they are part of Eastry School. Thank you for your understanding, patience and perseverance with technology. At Eastry we have always believed that working with our families brings the best outcome for our children, that is even more apparent at the moment.

Thank you for your support during this difficult time.

Kind regards,

A handwritten signature in black ink that reads 'S Moss'.

Sarah Moss
