30 December 2020

Dear parents and carers,

As I am sure you are aware the government have widened the restrictions nationally. In Kent we remain in tier 4. You may also have heard that some primary schools have been directed to close. At present primary schools in the Dover district will open as intended on Monday, 4th January 2021. This includes Eastry Primary School. Attendance is therefore expected from all pupils.

We look forward to welcoming you all back at your staggered drop off times (these remain unchanged) on Monday. Parents and carers please remember masks must be worn when entering the playground. We also advise they are worn whilst waiting outside in the gun park.

I hope you enjoy the rest of the Christmas break, despite the current restrictions.

Kind regards,

Sarah Moss  
Headteacher
