

Our Term 5 Topic is...
Under the Sea!

The children's phonics and reading groups have been wiggled around a little – you may well find your child is reading a different level of reading book! Please speak to me if you have any concerns. It is so important that children get the chance to read at home to practice their skills! We will continue to change reading books on a Friday.

Fledglings Newsletter Term 5

Hope you had a lovely Easter! What's coming up over the next term?

A taster of what we will be learning this term:

- ✓ We will be using oil pastels to make sea creatures of our choice.
- ✓ We will learn about the different animals that live under the sea.
- ✓ We will be exploring different stories set under the sea: Tidder, The Snail and the Whale, Commotion in the Ocean, The Rainbow Fish, Barry the Fish with Fingers, The Fish who could Wish, Sharing a Shell and many more.
- ✓ We will be writing sentences: descriptive sentences, fact based sentences and sense sentences!
- ✓ We will even be uncovering....a real fish! (shhh!)
- ✓ We will be exploring different habitats – rock pools, coral reefs, the ocean floor.
- ✓ We will be thinking about the qualities of a good friend, linked to the Rainbow Fish, before making our own individual scales before linking them together to make a huge fish!

A reminder: please ensure children are bringing just WATER into school in their water bottles (unless they have something separate in their lunchbox). PE will be on a THURSDAY afternoon! We will aim to be outside as much as possible so please make sure your child wears trainers to school. Thank you! We would encourage children to keep bringing a book bag to school. The backpacks are super stylish, but they do take up a lot of room on the book bag box! Thank you 😊
