

Our Term 6 Topic is...  
**The human impact on our oceans**

Please continue to read the school reading books at home with your child. It has a huge impact on their learning! We will be rewarding those in term 6 who read school book / practise red and green words 5x a week and record this in the reading journal, with entries into Mrs Moss' termly raffle and weekly special stickers.

## Fledglings Newsletter Term 6

Wow – into our final term! How did that happen? Lots to look forward to...

### A taster of what we will be learning this term:

- ✓ More about sharks to start the term
- ✓ The impact of humans on the ocean and what this means for the animals that live there.
- ✓ Some further exploration of sea habitats and the changes to them caused by people
- ✓ We will be making our own posters and banners to help people to understand the human effect on oceans.
- ✓ We will try to raise awareness in other the need to save our seas.
- ✓ In maths, we will consolidate number bonds to 10, teen numbers and number problems.
- ✓ We will consider transition into year one carefully, making time for children to talk about their feelings around welcoming new friends, meeting them in the classroom and playing with them.

- Forest School is still on Friday for us this term.
- Tuesday Newsday – maybe your child can have ago at their own sentence – it doesn't need to be Shakespeare!! For example ... I went to the park.
- PE will continue on Thursdays mostly but with sports day very soon, we would like kits on their pegs all the time please.
- Water bottle – with a sports lid - and book bags are still needed every single day thank you.
  - We continue to keep reading books on Thursdays to help us change them ready to take home Friday.
