

# EASTRY C OF E PRIMARY SCHOOL KNOWLEDGE ORGANISERS

<b>YEAR GROUP</b>	5
<b>SUBJECT</b>	Geography
<b>KEY VOCABULARY</b>	Countries, continents, cities, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, physical geography and human geography, European, Ordnance Survey Arctic and Antarctic Circles, the Prime/Greenwich Meridian and time zones maps, atlases, globes four figure grid references and six figure grid references location
<b>END POINTS KNOWLEDGE</b>	<p>I know how to locate some countries of the world on a world map with more accuracy?</p> <p>I know how to locate countries and cities of the UK with more accuracy on a map?</p> <p>I know how to identify the position and significance of at least 5 from the following; latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circles, the Prime/ Greenwich Meridian and time zones?</p> <p>I know how to identify aspects of physical geography and human geography that have changed over time?</p> <p>I will use my knowledge to study 2 regions of the UK and a region in a European country and identify some similarities and differences in physical geography between them?</p> <p>I know and can describe some aspects of physical geography? studying alternative locations.</p> <p>I know how to use 2 of the following – maps, atlases, globes, digital/computer mapping to locate countries and describe their features?</p> <p>I know how to use some of the 8 points of the compass, four figure grid references and six figure grid references more accurately, symbols, keys (including Ordnance Survey maps?)</p>

# EASTRY C OF E PRIMARY SCHOOL KNOWLEDGE ORGANISERS

## IT HELPS IF I ALREADY KNOW

- I can locate countries in Europe and Africa.
- I can locate cities in the UK.
- I can locate the Equator, Northern Hemisphere, Southern Hemisphere, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones and their significance.
- I can study a region of the UK (Eastry), a region of Africa (Nile) and a polar region and can identify at least one similarity / differences between the three in physical geography.
- I can study a region of the UK (Eastry), a region of Africa (Nile) and a polar region and can identify at least one similarity / differences between the three in human geography.
- I can describe some aspects of physical geography?
- I can explain the water cycle, vegetation belts, climate zones
- I can describe some aspects of human geography.
- I can explain distribution of natural resource and tradelinks.
- I can confidently use 2 of these 3 – maps, atlases, globes or digital computer mapping to locate countries studied and describe features studied.
- I can gain confidence using 4 figure grid references and symbols / keys
- I can use fieldwork to observe, measure, record and practise using; sketch maps, plans, and graphs, and digital technologies.
