13th October 2023

Dear Parents and carers,

Inspire Days and Open Classroom

As you will know the school runs regular Inspire Days. These days help to enrich the children's learning, to help them understand the world around them and to be inspired by people or events past and present.

This academic year we will be holding three Inspire Days so that the whole day can be dedicated to this event. At the end of the day we will also hold an Open Classroom from 3.00 to 3.20pm where you will have an opportunity to see what the children have taken part in throughout the day.

In a change to the date published in this week's School News our next Inspire Day and Open Classroom will be on Friday, 17th November followed by two further days on the 8th March and 27th June 2024.

Further details regarding the focus of these days will be provided nearer to the time.

Kind regards,

A handwritten signature in blue ink, appearing to read "Neil Garvey".

Neil Garvey
Headteacher
