EASTRY CHURCH OF ENGLAND
PRIMARY SCHOOL
COOKS LEA
EASTRY
SANDWICH
KENT
CT13 0LR

19th March 2026

Dear Parents and carers,

Meningococcal Disease

We write with further information provided by the UK Health Security Agency (UKHSA) following our letter sent on Monday concerning Meningococcal Disease.

The UKHSA advise that primary schools should continue to operate as normal. If the school is identified as having a link to any outbreak, we will be contacted directly by the UKHSA and appropriate action will be taken. I would confirm that at the time of writing this letter we have not been identified as having any link to the current outbreak. UKHSA's advice is:

- Children can and should continue to attend the setting as normal
- Events such as school trips, sports fixtures and parents' evenings can continue as normal
- Immunocompromised staff or children can continue to attend the setting as normal

Information for Parents and carers

Further information can be found by visiting the UK Health Security Agency's website page concerning the outbreak in Kent by [clicking here](#).

Yours sincerely

A handwritten signature in black ink that appears to read "S Moss".
