## School Council Meeting Minutes

Date: 25<sup>th</sup> October 2025

Apologies: CF

Matters discussed:

- Welcome and introductions – Welcomed to the new role and introduced the agenda for the meeting, as well as LR as chair and HG as vice-chair, as well as the teacher in charge.
- Completing information for the school board – so everyone knows who we are, we will be creating some information sheets about us to add to the board in the corridor. This way, if anyone needs a school councillor, they will know who to speak to! Photos will be taken as well so that people know what they look like.
- Playtimes and zones – As requested by Mrs Moss, we discussed what we would like to see put in place for the new playground zones to build on the change of rotas for playground equipment. See notes.
- Fundraising – LR discussed a range of fundraising needs – Check possibility of sponsors for the netball club to enable an Eastry kit such as they have for the football teams which would allow the netball club to represent the school against others.
- AOB –
  - Library club – LR questioned the availability of library club and whether there would be a possibility of increasing the range of books availability. This will be fed back to Mrs Moss and answers given in the next meeting.

- Club availability – LR asked whether new clubs could be made available that were not only sports based. Ideas included yoga, reading and Spiderman club. This will be a discussion point in the next meeting to generate ideas to take back to Mrs Moss.
- Close of meeting Thanks for attending and for ideas. Information sheets will be handed out for completion before the Christmas break.

Summary of discussion for playtime zones and equipment – all ideas generated with understanding that these will be discussed but some may not be possible.
