

Parental controls guide

Nintendo 3DS guide

Parental Controls information

Type of guide

Gaming consoles and platforms

Features and Benefits

Through the use of a Parental Controls PIN you can tailor/restrict Internet Browsing, Nintendo 3DS Shopping Services, Display of 3D images, Sharing Images/Audio/Video, Online Interaction, StreetPass, Friend Registration, and DS Download Play.

What specific content can I restrict?

Browser Access

Chatting

Game Ratings

Innapropriate content

Privacy and identity theft

Purchasing

What do I need?

A Nintendo account (email address/Password)

Nintendo 3DS guide

Open the System Settings software from the HOME Menu.

Nintendo 3DS guide

Select Parental Controls and follow the on-screen instructions.

Nintendo 3DS guide

Choose a PIN code to ensure that your child cannot change your chosen settings. You will be asked to enter the PIN twice to confirm.

Nintendo 3DS guide

Select a secret question and answer in case you forget your PIN. This can be used to retrieve access to Parental Controls if you forget your PIN

Nintendo 3DS guide

Register an email address that your child does not have access to. If you forget your PIN and the answer to your secret question, you can request for a master key to be sent to your registered email address.

Nintendo 3DS guide

- Select “Parental Controls Settings” once you have completed the PIN set up.

Nintendo 3DS guide

- By default, all Parental Control options are enabled. You can individually configure the settings to your needs by selecting the separate topics.

Nintendo 3DS guide

Once you are satisfied with your settings, tap the “Done” button to confirm. You will be taken back to the Parental Controls front screen.
