Dear Parents and Carers,

October Half-Term Supermarket Voucher

The Government have recently announced that they will provide Local Authorities with a Household Support Grant to support vulnerable families this winter. Kent County Council will use this grant to fund supermarket vouchers for families eligible for free school meals this October half-term.

A voucher of £15.00, per eligible child, will be issued on Monday, 25th October to cover the half-term week. The voucher will be provided by a company called Wonde, who we have used previously to provide vouchers during school holidays. The link to access this will be sent to the email address and mobile we hold on school records. If you do not already have an account with Wonde the link will provide you with a short process to create your account and access your voucher. Once created you will be given a selection of local supermarkets to choose from. We have provided a useful link with help to create an account and view your voucher which can be accessed at the following:

Kind regards
