Further questioning of children who said they did not enjoy school or enjoyed it sometimes revealed that they sometimes found learning hard, they didn't get on with some children. One child found the classroom noisy and found it hard to think.

The children who were unsure who they could talk to if they felt unsafe or unhappy have been checked in with and will be followed up during term 1 2021-22

Teachers to ensure that all children are aware of their learning targets and that these are revisited frequently.
