Dear Parent/Carer

Following the earlier email informing parents that I had made the decision to close the school, I apologise for any inconvenience that this has caused families. The decision was not taken lightly and was based on the safety of our pupils, parents and staff members in terms of them travelling to and from the school.

Teachers will not be setting any remote learning today but some possible work opportunities your child may wish to take part in include the following:

- Use of Oak Academy website - <https://classroom.thenational.academy/subjects-by-key-stage>

All subjects by key stage - Oak National Academy

Free online lessons across a variety of UK school curriculum subjects  
[classroom.thenational.academy](https://classroom.thenational.academy)

- Timestable Rockstars
- Reading

Thank you for your understanding in this matter and I hope that everyone stays safe.

Kind regards,

Headteacher
