1. Logan from year 6 said that he thought that it would be useful for the school council to give a presentation to the whole school in worship.

The council discussed things that they would like to present to the whole school.

It was agreed unanimously that the school council would introduce themselves to the school and remind them of the importance of the school council in representing their views.

They would also like to remind people of the school rules.

Mrs Inglis to arrange a date with Mrs Moss.

2. Connie from Year 1 said that she thought that the school should do a litter pick of the playground on a regular basis. The council discussed this and unanimously agreed that each class would take it in turns a week at a time to litter pick in the playground. School councillors to organise daily litter pickers from their class.

3. Oliver from year 6 would like to continue with a post box so that children could write letters to each other. Mrs Inglis to speak to Mrs Moss to see whether this is possible.

4. Mrs Inglis suggested the change of times for meetings to Wednesday worship times so that they don't affect the council members' reward ties on Friday afternoon. This was agreed by all council members.
